

## COVID-19: We Can Help

Trust ECSFederal as a top advisor during the COVID-19 outbreak. Keeping our client's properties disinfected and sanitized during this pandemic is our top priority.

### Our COVID-19 Services

Protect your property and occupants from COVID-19. ECSFederal offers consistent training, equipment, and EPA-approved disinfectant and cleaning systems that are proven effective against COVID-19 on touch surfaces. Our COVID-19-specific services include:

- Disinfecting
- Sanitizing
- Pressure Washing
- Cart Wipe Downs
- Deep Cleaning
- Support during Partial Occupancy
- Support for Scheduled Re-Openings
- Delivery Vehicle & Fleet Cleaning
- Construction Cleaning

### Safety

To ensure the safety of our team members, building occupants, and visitors, ECSFederal offers the most up-to-date safety precautions to prevent the spread of COVID-19, including:

- Education and training on COVID-19
- Work Hygiene Training for our team
- Disinfecting and sanitizing procedures, per CDC guidelines
- Continued precautions and self-quarantines, as warranted

### Working with Suppliers

ESCFederal works with national supply chain partners to maintain its supply of sanitizing wipes, gloves, face masks, PPE equipment, disinfecting solutions, and other essential supplies. By leveraging its supply chain, ECSFederal eliminates supply scarcity and better serves our clients while maintaining competitive, low-prices.
