ESCFEDERAL ANNOUNCES CLEAN, DISINFECT, & PROTECT PROGRAM TO DELIVER UP TO 90 DAYS OF PROTECTION

WEST CHESTER, PA, March 5, 2021 – ESCFederal, a nationwide facilities maintenance solutions company, announces a much-anticipated partnership with PRO-Techs Technology. The partnership is releasing in tandem with ESCFederal’s Clean, Disinfect, & Protect program available to all current and future facilities clients. The partnership and new program offer ESCFederal’s existing cleaning and disinfecting protocols an upgrade with PRO-Techs technology, delivering up to a 90-day active shield against germs and other microorganisms.

“ESCFederal has always been committed to delivering world-class facilities maintenance solutions aligned with our client’s needs,” said Roger Manseau, COO – Western Region, ESCFederal. “For us to provide integrated services that meet those operational needs, we knew we needed to develop next-generation solutions to clean and disinfect, to better protect high-traffic areas from bacteria, germs, and microorganisms.”

PRO-Techs is a breakthrough, instant, and lasting Micro Biostatic Antimicrobial Protection Nanotechnology that works 24/7 to prevent the growth of microorganisms. This **protection comes with a 99.9% effectiveness and lasts up to 90 days** when applied to hard or soft surfaces. In keeping with ESCFederal’s commitment to Green cleaning, PRO-Techs technology is non-toxic, EPA-approved, and offers the most effective food industry protection on the market.
